

Online Library - Art & Design Resources

All students studying for a University of Wales qualification at a collaborative centre can take advantage of the Online Library. This web-based library service provides students with supplementary resources to those offered by their collaborative centre's library. It is continually being developed with more subject areas and new resources and, as part of our Global Campus website, the Online Library can be accessed 24 hours a day, from anywhere in the world.

Art & Architecture

This large art database offers students access to more than **380 full text journals, 220 books and over 63,000 images**. Subjects covered include antiques, archaeology, architecture, art and art history, costume design, decorative arts, graphic arts, interior and landscape design, painting, photography and printmaking. Students can change the language of the user interface for this database.

eJournals

The Library has an **A to Z List of eJournals** which students can search to find a journal in our collection. It includes all journals that we subscribe to plus many open access journals.

eBooks

Our ebooks collection offers additional books to the core books recommended by a collaborative centre. It currently contains **over 700 ebooks** for all our subjects, and over 3,000 out of copyright ebooks.

Study Skills

There is a dedicated section to show students **how to reference, avoid plagiarism, find theses and dissertations**, and it offers a list of available **study skills ebooks** from our ebook collection.

Other Websites

We recommend free websites to help students find additional information.
