Print only £25
Online only: £20
Combined £35

The Wales Journal of Education (formerly the University of Wales Journal of Education) is being relaunched in partnership with the Wales Centre for Equity in Education. The re-launched journal aims to appeal to researchers, policy-makers and practitioners who share the common goal of achieving excellence in education in Wales. We welcome articles that relate to education in Wales, but also materials of a broader significance including comparative studies and international contributions.

Contents Volume 18.1
